Department of Civil Engineering
Student Survey (Program Exit survey - end of 4th year)

Academic Year: 2020-2021

Name of the Student: A. Sai Kiran

Roll No.: 17241A0101

Q. No.	PO	Student Exit Survey	Give rating from 1 to 5, 5 being the High and 1 being Low
1	a	Ability to implement Mathematics and Science in analysis and designing of Civil Engineering elements	4
2	b	Ability to do a case study related to problem solving in Civil Engineering	3
3	c	Ability to design any element of a structure	4
4	d	Ability to use the code book or hand books in solving complex problems	3
5	e	Ability of using GIS, STAAD or any other tools	3
6	f	Ability to do any assignment related to the impact of engineering solutions in a global, economic and societal context	3
7	g	Ability to do assignment on the effect of Civil Engineering solutions on environment and to demonstrate the need for sustainable development	4
8	h	Ability to recognize the importance of ethics in engineering	3
9	i	Ability to work effectively as an individual or in a team and to function on multi-disciplinary context	3
10	j	Ability to communicate effectively with engineering community and society	4
11	k	Ability to plan and execute a project	3
12	l	Ability to recognize the need for and to engage in life-long learning	3

Department of Civil Engineering

Alumni Survey

Greetings!!

To the students who graduated from the Gokaraju Rangaraju Institute of Engineering and Technology (GRIET), Department of Civil Engineering:

We would appreciate your help in assessing how well the Department of Civil Engineering prepare students to meet its Programme Educational Objectives (PEOs) and Programme outcomes (POs). By answering the following survey questions, you will provide us valuable feedback that is needed for program improvement.

Thank you in advance for your participation. We look forward to hearing from you.

Head of the Department

Roll No: 17241 A0185

Year of Graduation: 2021

Name of the Alumnus: T. Susy Kumar. In your candid opinion, you are able to

S. No.	Alumni Survey	Rate from 1 - 5 (5 being the High and 1 being Low)
1	Apply knowledge of the technical areas relevant to your organization	4
2	Technical preparedness for the responsibilities assigned to you	3
3	Ability to work within realistic constraints	3
4	Ability to bridge theory and practice and interpret data to solve problems	3
5	Usage of software/tools such as STAAD, GIS	3
6	Ability to recognize the impact of engineering solutions in societal context	3
7	Ability to assess environmental and sustainable technology	3
8	Ability to understand professional and ethical responsibilities	3
9	Ability to work with multi-disciplinary teams	3
10	Ability to communicate effectively	3
11	Ability to demonstrate the principles in Civil Engineering projects	3
12	Involvement in life long learning	3
I	List all the positions you have held with start and finish dates starting from the time of graduation	3
II	List awards/higher degree/commendations/promotions and salary increments (in %) with dates you have received since joining your job.	3
III	List courses done with duration of the course in days or years as applicable	3
IV	List any certifications (skill development) carried out. (Like GIS, MS Project)	3
V	List any CSR activity undertaken like blood donation	3

Parent Survey

Greetings!!

To the parents of students who graduated from the Gokaraju Rangaraju Institute of Engineering and Technology (GRIET), Department of Civil Engineering:

We would appreciate your help in assessing how well the Department of Civil Engineering prepares student to meet its Programme Educational Objectives (PEOs) and Programme outcomes (POs). By answering the following survey questions, you will provide us valuable feedback that is needed for program improvement.

Thank you in advance for your participation. We look forward to hearing from you.

Head of the Department

Name of the student: B. Vishnu Varadhan Reddy

Q. No.	PO	Parent Survey	Rate from 1 - 5 (5 being the High and 1 being Low)
1	a, b, c, d, e	Level of education of your ward	5
2	f	Social responsibility of your ward	5
3	g	Ward knowledge in environment and sustainability	5
4	h	Behavior and attitude of your ward towards profession	5
5	i	Ward working in a team or in group	5
6	j	Effective communication of your ward	5
7	k	Active participation of your ward in executing of projects	5
8	l	Upgradation of skills of your ward after graduation	5

Employer Survey

Greetings!!

To the employers of students who graduated from the Gokaraju Rangaraju Institute of Engineering and Technology (GRIET), Department of Civil Engineering:

We would appreciate your help in assessing how well the Department of Civil Engineering prepares its students to meet its Programme Educational Objectives (PEOs) and Programme outcomes (POs). By answering the following survey questions, you will provide us valuable feedback that is needed for programme improvement. Please give your feedback about our alumnus who is working with you.

Thank you in advance for your participation. We look forward to hearing from you.

Name of the Employee: Madan / Jaiish Kumar Head of the Department
He / She working in your organization is able to:

S. No.	Employer Survey	Rate from 1 - 5 (5 being the High and 1 being Low)
1	Apply knowledge of the technical areas relevant to your organization	3
2	Analyze and interpret data	4
3	Ability to work within realistic constraints	4
4	Ability to solve complex problems	5
5	Using any software/tools	4
6	Level of understanding the impact of economic and societal context	3
7	Level of understanding of environmental and sustainable technology	4
8	Understand professional and ethical responsibility	3
9	Behavior and Attitude	4
10	Ability to work on inter-disciplinary and multi-disciplinary teams	3
11	Ability to communicate	4
12	Get into leadership positions in your organization in the next 3 to 5 years.	4
13	Desire to learn and upgrade skills	3
