Dear Sri Venkata Apurva Kalyan

Congratulations! We are pleased to make you a **conditional offer** to study with Brunel University London from September 2022. Please read this letter carefully as it contains everything you need to know about your offer.

Your Course

Your Brunel Student ID:	2242511
Course Title:	MSc Project and Infrastructure Management
Department:	Department of Civil and Environmental Engineering
Mode of Study:	Full-Time
CAH3 code:	CAH10-01-07 (Civil Engineering)
Academic Level:	Masters Degree
Registration Date:	12 September 2022
Teaching will begin on:	19 September 2022
End Date:	05 September 2023
Tuition Fees:	

Based on the information you have provided on your application form you have been classed as an Overseas student for fees purposes. Tuition fees for 2022/3 will be £20,450. Fees and Additional Costs are payable for each year of your course. Fees for any subsequent year of study will not increase by more than 5% each year.

We have assessed your fee status against regulations set by the UK government. For information on these regulations please visit the independent organisation [UKCISA's website](#). If you think we have incorrectly identified your fee status you should contact the Admissions Office immediately.

If you are being sponsored by a company, organisation, or charitable trust you must

provide us with a sponsor letter (financial guarantee) before or when you register, otherwise you will be deemed a self-funded student responsible for paying your own fees.

You can find a full copy of our [Student Finance Policy](#) on our website. Please click on the Student Finance Policy link relating to your year of entry.

Additional Costs:

Your course may carry additional course-related costs that you will be required to pay. Please read the '[Additional Costs](#)' document to see if any additional costs apply to your chosen course.

Your Offer

Your offer is conditional on the following:

- Pass your degree with an average mark of 57% or above.
- Provide a deposit of £3000 or evidence of approved sponsorship or a scholarship at a value of £3000 (this does not include a scholarship awarded by Brunel University London). Details on how to pay the deposit can be found at <http://www.brunel.ac.uk/international/fees-and-funding/making-a-payment>. The best way to make a deposit payment is to pay online as we will receive this more quickly and may be able to process your unconditional offer sooner. The deposit will be deducted from your tuition fees. Please consult the Admissions Policy (below) for full details of the refund policy if you subsequently do not join Brunel.

You must meet all of these conditions (and provide evidence of this to the Admissions Office) at least 2 months before your course Registration Date, which is listed at the top of this letter. Please upload all documentary evidence to your [my Applications portal](#). If you don't think you will be able to make this deadline you must contact us as soon as possible.

Please note that if you require a Student visa to study in the UK, you must meet the conditions of your offer as soon as you possibly can. We can only issue a Confirmation of Acceptance for Studies (CAS) once you have an unconditional offer and it is important to receive this in good time to make the visa application before the start of your course. You may be required to defer your place if it is not possible for you to obtain a Student visa in time to start your course.

Students who require a Student Visa should be aware that being made an offer of study does not guarantee that Brunel University London will be able to sponsor you on a Student Visa. If we are not able to sponsor you on a Student Visa we will be able to refund any deposit paid in accordance with the Admissions Policy. Please consult the Admissions Policy (below) for further details.

Registration requirements

When it is time to join your course and register as a Brunel University London student, you must provide the following:

- A scanned copy of your highest qualification: Bachelor of Technology in Civil Engineering - Jawaharlal Nehru Technological University, India
- Provide evidence of approved sponsorship or a scholarship, or pay at least 40% of the course fee for this academic year (including your deposit payment).

2. Is the mode of attendance correct (full time, part time, sandwich, online, distance learning, study outside of the UK, etc)?

If anything is incorrect, please contact us immediately.

It is important that you read your offer carefully. We have based your offer on the information you provided when you applied. If your conditions include completing qualifications that you are no longer taking, or if you anticipate any problems with being able to meet your conditions, you must contact us straightaway.

Please be aware that if:

- You do not satisfy the conditions set out above by/at the relevant time;
- You fail to provide evidence as or if required;

and/or

- It becomes apparent to us that any of the information you have provided to us, at any time, is false, inaccurate, misleading or incomplete,

Further Information

Student Immigration Information

If you need a Student Visa to study in the UK, please note that this letter is NOT the Confirmation of Acceptance for Studies (CAS) that you need in order to apply for a Student visa, if you need this to study in the UK. Under the current regulations, a CAS is only valid for 6 months. We will issue your CAS no more than 6 months before the start of your course, provided you have an unconditional offer at that point. If you have an unconditional offer but have not received your CAS 6 months before the course start date, please contact international-admissions@brunel.ac.uk.

- **Estimated costs of living**

From 1 December 2020, to meet UK Visas and Immigration (UKVI) finance requirements, when you apply for your Student visa you will need to show that you have £1,334 for living costs for every month of your course (up to a maximum of 9 months or £12,006). This is in addition to your remaining tuition fees, and may not accurately reflect your personal costs. We recommend that you plan your finances accordingly before you start your course. Useful advice about this can be found on the [UK Council for International Student Affairs \(UKCISA\) website](#). Note that if your Student visa application is made before 1 December 2020, the monthly finance requirement for your living costs is £1,265 (or £11,385 for nine months).

- **Changing the course that you wish to study**

Now that you have been offered a place, we recommend that you ensure this is the course you definitely wish to study. Under the current UK Immigration Rules, once a Student visa has been obtained, there are restrictions on the ability of a student to change courses on that visa. In some cases, the course change may only be possible if a new Student visa application is made from outside of the UK. Please contact the Admissions Office **before** you are issued a Confirmation of Acceptance for Studies (CAS) if you wish to study another course.

If you require any further visa or immigration advice, please refer to our website: <https://www.brunel.ac.uk/international/visas-and-immigration>
